One-Piece MDF Door Designs

Slab
- matching drawer front available
- 1-1/4" x 1-1/4"
- Max: 48" x 96"

10RC
- matching drawer front available
- 7-5/8" x 7-5/8"
- Max: 48" x 96"
- 2-5/16" framing

10RC2
- matching drawer front available
- 5-7/8" x 5-7/8"
- Max: 48" x 96"
- 1-3/4" framing

10RC3
- matching drawer front available
- 7-3/4" x 7-3/4"
- Max: 48" x 96"
- 2" framing

10SQ1
- matching drawer front available
- 8-1/2" x 8-1/2"
- Max: 48" x 96"
- (single panel only)
- 2-1/2" framing

10SQ2
- matching drawer front available
- 7-1/2" x 7-1/2"
- Max: 48" x 96"
- (single panel only)
- 2-5/16" framing

10SQ3
- matching drawer front available
- 7-5/8" x 7-5/8"
- Max: 48" x 96"
- 2-5/16" framing

10SQ5
- matching drawer front available
- 7-5/8" x 7-5/8"
- Max: 48" x 96"
- 1-3/4" framing

Framing width listed is determined by measuring between the points indicated on the top edge of the cross section drawings. Note that the 10RC2, 10RC3 and 10SQ5 include only the face of the framing.
**Offering And Availability**

All Conestoga products are available in a wide variety of specifications to satisfy your custom needs. The information below indicates any exceptions or limitations pertaining to the designs on the previous page. For a detailed listing of a particular product specification, refer to the page indicated.

| Material          | All designs – 3/4" and 1" MDF.  
|-------------------| Note: There is a maximum of 7 square feet for products made with 1" thick MDF. Any 1" MDF product exceeding 7 square feet will be processed through Special Designs and incur additional fees due to labor charges to safely handle these heavy items. |

| Framing Beads     | All designs – design specific, no options available. |

| Panel Raises      | All profiles are design specific, no options. The RC series doors are radiused on the inside corners of the framing. The SQ series are square on the inside corners of the framing. MDF products greater than 26" wide or 48" high will be made with two equal panels, unless otherwise specified by the customer, except the 10SQ1 and 10SQ2 designs which are available in single panel only. |

| Finishing         | All available with Colourtones, primers and Prism Paints. |

| Options           | All designs – back-routed hand pull, distressing levels 1 and 2, sample ID label, seal coat, concealed hinge boring and Soss hinge rout only. Concealed hinge boring Pattern B not available with 10RC2 and 10SQ5. |

| Mullions          | Standard lite configurations available on 10RC, 10RC2, 10RC3, 10SQ3, 10SQ5. Mullions not available with Slab, 10SQ1 and 10SQ2. |

| Appliance Panels  | Apply over plywood or 1/4" MDF panel. |

| Matching Drawer Fronts | All available except 10SQ1. |
One-Piece MDF Door Designs

**30RC**
- 8-1/4” x 8-1/2”
- Max: 42” x 96”
- 2-5/16” framing

- matching drawer front available
- 7-1/2" x 7-1/2"
- 2-5/16" framing
- Slantraise shown

**CRP-10827**
- matching drawer front available
- 7-1/2" x 7-1/2"
- 2-5/16" framing
- Slantraise shown

**CRP-10875**
- matching drawer front available
- 8-5/8" x 8-5/8"
- 2-7/8" framing
- Slantraise shown

---

Due to construction complexity, all multiple panel miter doors will include an additional charge per middle and upright rail plus the per-panel design charge.
Minimums listed are based on panel raise shown and will vary by raise; see Offering and Availability for additional options.
Framing width listed is determined by measuring across the back of the framing unless otherwise noted.
## Offering And Availability

All Conestoga products are available in a wide variety of specifications to satisfy your custom needs. The information below indicates any exceptions or limitations pertaining to the designs on the previous page.
