

OVERLAYS

The images below depict how your doors will look on your cabinets with either the 1/2" or 1-1/4" overlay. Simply put, the 1/2" overlay will result in a 1" reveal around your cabinet doors with a 1/2" gap between doors. 1-1/4" overlay will result in a 1/4" reveal around your doors with a 1/2" between your doors.
